### MAGIC LOLLIPOP

Eur 30,00

Very nice effect for kids. The lollipop changes colors, up to six times! Just put it in your mouth or in popping candy and when you take it out, it has a different color. Your audience will be amazed.

The effect can be used over and over again. No preparation necessary. Ideal for clowns, magicians and kids entertainers.

### MAGIC BALLOON STICK

Stick: Eur 26,00

Adapter: Eur 6,00

The performer has a balloon on a regular-looking balloon stick. But then all of a sudden, the balloon becomes alive! It moves, bends over and waves goodbye.

For balloon artists, clowns, magicians etc. The high-tech construction is adjustable to the size of your hands to allow for smooth handling. An optional adaptor is available to allow fitting two balloons to one stick.

### JUMPING STOOL

Eur 88,00

A regular-looking foldable stool. But what no one expects: this stool can jump about 1.80 meter high! But there's more. Don't try to sit on it, or it will collapse. A stunning effect that will amaze your audience.

Ideal for clowns and comedians. Professional build quality. No preparation required.

### HINDU SILK GIMMICK (45 cm)

Eur 10,00

Take a silk or handkerchief, and all of a sudden it raises and stands up! It can wave goodbye and move. Ask someone from the audience to blow once and it will fall down and can be folded like it was before.

Package includes the preparation only. You can use any handkerchief or silk to build it in.

### PEN-UP-PEN

Eur 10,00

Take a regular ballpoint, and ask a member of the audience to rub it. All of a sudden the tip of the pen either raises or goes down, depending on who rubs it! This will cause hilarity among your audience. Ballpoint can be examined immediately after the effect.

No preparation required. Ideal for table magic.
