### STRIPPER DECK

Eur 6,00

This full deck of cards, which looks like any regular deck of cards, has proven its value over and over again throughout the years. It's the highest quality stripper deck available on the market. Can be used undetectable in many card mysteries.

Detailed manual included. Easy to do.

### HORROR SCREW DRIVER

Eur 12,00

Tell your audience that you have a screw loose, and that you need to fix it. You take a screw driver, put it in your nose, and fix it immediately! The screw driver disappears in your nose, except for the handle.

Easy to do, no preparation required. Everything you need practice and perform this effect is included in the package.

### HORROR CUTTER

Eur 16,00

Everyone knows these very sharp knives. And also everyone knows that you should handle them with care. Imagine the effect on your audience when you take the knife, and cut your finger with it!

Of course this magnificently prepared knife is totally harmless, you can't hurt anyone with it. The ideal pocket instant shock effect. No preparation required.

### KAART TRUCS (in Dutch only)

Eur 12,00

Dit fascinerende boek bevat een verzameling kaart trucs. Vingervlugheid, kunstgrepen, getrukeerde kaarten en andere hulpmiddelen komen er niet aan te pas. Niettemin zijn de effecten verbluffend en nauwelijks te doorgronden.

Alleen in Nederlands.

### COIN DROPPER – 2 EURO (1 x 7 coins)

Eur 12,00

With one move you can drop as much as seven 2-Euro coins at once. Can be fit underneath your jacket, left or right.

The very thorough design allows dancing, jumping around, even standing on your head without losing any of the coins. The coins only drop if you want them to, whatever you do!
